

**School 1 Newsletter**

Dear Parents,

We trust you and your children have had a positive start to this academic year. The children have come back to school and adjusted well and speaking with the teachers and observing the children around school it is clear to see the progress that is being made.

It has been a fun and exciting week involving altered International Day celebrations, which the children and teachers thoroughly enjoyed. The children looked amazing in their costumes, so thank you for your support and involvement in the International Day event. Some photos and videos have already been sent home via Class Dojo so please check those out when you have the chance, there will be more available in the near future when the editing process is completed.
