Week 16

17th January 2020

School 1 Newsletter

Dear Parents,

Winter Welcomes - Happy New Year to One and All.

It's great to be back and see so many happy children enjoying their first days of the year. We trust that you have all had a wonderful break and your children are rested and ready for some exciting times in school.

Unfortunately, the weather is not as seasonally consistent as normal; therefore, it is important to keep up-to-date with the daily conditions. Where possible we will try to ensure the children receive every opportunity to go outside and play. To help us please ensure your children are suitably dressed for the weather of that day

Book Week

This year, Book Week will take place during the week beginning 17th February. There will be an enhanced focus on reading during this week with many activities planned to encourage the love of books and reading. If you wish you may volunteer some of your time during this week at the start of the day to come in and read to your child's class. Details of Book Week events will be published closer to the time.

Communication is the Key – A Reminder

Parents, can you regularly check your child's folder and any email communications from school and teachers. This will help to ensure you are aware of all relevant information that may affect your child's educational life and experiences. Thank You.

Healthy Eating

This week in Nursery we have been looking at healthy eating. We enjoyed sorting out all the healthy food in our Tuff Tray into colours, remembering that we don't eat teddy bears! During our phase fun lessons with Reception we also sorted out our foods into healthy and unhealthy foods and counted how many different types of food we could see. We also really enjoyed brushing the giant set of teeth with a matching big toothbrush.

'EXCELLENCE IN EDUCATION'

NEI «THE BRITISH INTERNATIONAL SCHOOL»

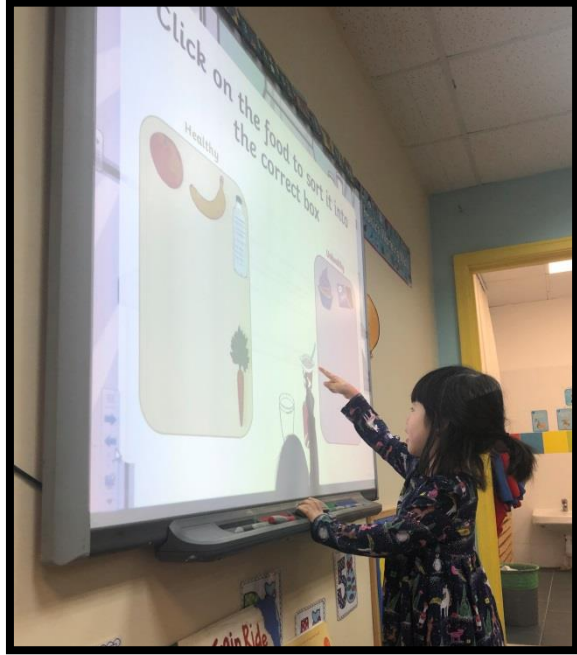

NORTHERN CAMPUS: Infant School (495) 450 1662; Junior School (495) 450 3447; Secondary School (495) 450 96 58.
