

School 1 Newsletter

Dear Parents,

This week in School 1 the children have been looking at Playground Expectations. We have looked at how we can play safely, where we can play safely, what it means to be safe, taking turns and sharing things and any rules that help us to enjoy our time with others. Plenty to learn outside!

School Uniform

As some of you have received new school uniform please ensure you label your child's clothing clearly so they or a teacher can recognise it easily.

**Monet's Water Garden
by Y2E**

In art lessons Year 2PE have been looking at a famous artist called Monet. We had a look at the beautiful painting called "Monet's Water Garden" and then tried to copy it, by using our best observation skills. First we had to look carefully and draw in pencil what we could see such as the bridge, flowers, trees and pond.

In the next lesson we had think to carefully about the colours in the painting and how to mix them. We found we could mix yellow and blue to make green, we needed to make a few different shades of green. In the picture we found some different trees and flowers. The flowers on the water are water lilies, they look beautiful! The best part was dipping and daubing our fingers in the paint and applying it to the paper, it was fun! We started by painting the background trees and plants.

We still need to finish our master pieces, by mixing some more shades of green to finish the gorgeous willow trees and colourful plants in the water. Finally we will need to mix some different shades of pink and red for the water lilies and flowers. When we are painting we listen to music and relax! Art lessons are great. We learnt that it takes a lot of patience and skill to be a good artist. We think Monet is a very clever and talented artist.
