

School 1 Newsletter – The Scary Edition

Dear Parents,

Thank you for your continued support of the School's efforts to maintain the health and safety of all at school, notably, the information that you provide us with regarding the health of children and family members.

Similarly, thank you for your efforts and understanding of arrival and departure times of children each day - we do appreciate how difficult it can be in the city.

Around Our School - Year 1 DS

We have practiced our fieldwork skills, exploring our classroom and our playground, and plotted maps of these areas from an aerial point of view!

Year 1 DS have been using their observation skills to explore the school environment and to think about the area where they live and go to school.

We have also been learning about how to find different places on maps, and to give directions using the points of a compass (North, South, East and West).

The children have thought about the city of Moscow and other familiar places, such as holiday destinations, and we have discussed the similarities and differences between these places.

Halloween Celebrations in School 1

Today at school we had a Halloween themed day. This involved dressing up in costumes, playing games and performing some fun activities. With your help and support the children came in dressed up and looked amazing. In their classes the children admired one another costumes, which was a lot of fun and had the chance to scare the teachers, which they really enjoyed.

Thank you for your donations the children shared their sweet treats with one another and will be bringing some of their sweets home tonight.
