School 2 Newsletter

Dear parents,

Photographer

On Tuesday 18th and Wednesday 19th May, children at school will be having their photograph taken. There will be individual and class photos.

Assessment week

During week beginning 24th May, children will be taking their end of year assessment tests. It is really important that pupils arrive on time during this week – many thanks.

Science Day

On Thursday 10th June, School 2 will host a Science Day. Throughout this day children will take part in a variety of science-based activities to excite and inspire them.

Science Day Competition

The afternoon will be devoted to a **Year Group Science Fair**. Children are invited to show off their scientific interests by bringing something they have created at home to share with other children in their group.

For this homework, parents and other family members are also encouraged to help their children with the science project homework. The homework could be interactive or include models. The possibilities are endless.

When making your science project homework – please **do not** use the following items:

- Anything containing insects/animals
- Vinegar
- Bangers / fireworks / matches / candles

Year group teachers will judge the entries from each year group and a prize will be given to the best entry from each year. The judging criteria will be based on how well the child can explain their project using scientific language.

Good luck with your projects!

School Uniform

At BIS, we have a compulsory school uniform. Please continue to ensure your child comes to school in their school uniform and please have your child's name clearly labelled on it. If you need any assistance with this, order forms and uniform guidance are available from the office. **As a general rule – children during the day need to wear a shirt with a collar (white or blue shirt or the BIS polo shirt with collar).** The BIS T-shirt (without collar) is only for PE. Boys can wear plain trousers. Girls have the choice of plain trousers or the skirt. Many thanks for your help with this.

Mobile phones

Please remember that all mobile phones (or any expensive equipment) brought in to school are at the owner's risk should they get lost or misplaced. If it is necessary for your child to bring in a mobile phone (or any device that can make a call) then it will need to be left with the school secretary at the beginning of the day and collected at home-time.

Russian Government Holidays

Please be aware that the school will be closed on the following day due to Russian Government Holidays:

- Monday 14th June

Internet Safety

At school, children are taught the principles of Internet safety.

Please follow the link to see useful tips for parents regarding TikTok:
