Dear parents,

Parent Teacher Meetings

Parent teacher meetings are week beginning 5th October – if you haven't already done so, please do use the reply slip to book an **online** meeting with your child's class teacher. A translator (Russian to English) will be made available if you have requested one. Also, if you need to meet with your child's Russian teacher please indicate this on the reply slip – the Russian teacher will then be in contact separately to arrange an appointment.

International week

This year's international week will be different. Week beginning 12th October, the children will learn about a country or territory and prepare a presentation to electronically share with other year groups. Children across the school will then watch other classes' presentations. This year, our whole-school focus is Asia.

On Wednesday 14th October we invite children to wear their national dress. Although we will not have a whole-school parade, it will still be an enjoyable experience for them to share their costume with their peers.

International Week Homework

For International Week, each class has been assigned a particular country. For homework, children have been asked to create and then present a research project on their class' country. Homework needs to be in by Monday 12th October.

End of Term

The half-term holiday begins after school on Friday 16th October and children return to school on Monday 26th October.
