#### 4. Head's Note –

##### **Dear Parents,**

As the temperatures rise we are always trying our best to keep the children cool. If you have any summer hats that you wish them to wear, or sun cream please send them in and inform the class teachers so they can remind the children to cover up.

You will have been sent emails and letters about the Summer Fair, please take the time to look at these as they will form a very important part of the remaining weeks of this school year. There will also be more updates and requests for any help and support you are able to offer.

Kind regards,  
Stuart Purves
