2. The Colour Mix – Art in Year 1DS

In Year 1DS' assembly this week, the children presented art work that they have been completing during their lessons this term.

They taught the other children about the primary colours and how they can be mixed to create a range of other colours. The children also learned the techniques of shading and tinting; by mixing colours with white and black paint to make them lighter and darker.

Also, the children showed of their own paintings, inspired by the artists Mark Rothko, Paul Klee and Jackson Pollock.

This has been a BISM 1 newsletter for the families of School 1.
