2. Celebrating Science – Experiments Galore in Year 2

In Year 2 there have been a lot of birthdays recently and the children have been celebrating in many different ways. Investigating through science has been extremely popular. The children have performed experiments to transform everyday materials into something new and usually quite slimy.

4. School Community – Parents Teachers Association

*Dear Parents,*

*After a successful first PTA meeting in School 2 we had some ideas for the remainder of this term. However, we do need more support from parents and we hope to have more parents attending the next meeting that will be scheduled for the Monday 24<sup>th</sup> October, 09:10 @ School 1. This meeting will help us decide what things we can look forward to achieving over the year ahead and how parents who wish to, can help with the Halloween preparations in Schools 1 & 2.*

*Huge thanks to the parents who attended the last meeting and we hope more of you can join us next time.*
