Thank you to everyone who made the Summer Fair so special; to all the families who contributed donations and time, support and help, to all the children for their happiness, smiles and energy, to Mrs. Anna and Miss. Margarita for their help in the organization of logistics and orders, to all the teachers for their tireless efforts, and finally to Mr. Whapham and Mr. Wright for their efforts in getting everything to where it should be.

Hoping the sun finally begins to smile on you and your families. All of us at School 1 wish you happy and safe holidays and look forwards to seeing you again in September.

Best regards,
Stuart Purves
